What's your Skill Story?

Identify your previous or current jobs, internships, leadership positions, or volunteer experiences.

From the list above, choose one position and write down your duties/responsibilities-What did you do?

From the list of Duties/Responsibilities, identify the skills you used, learned, and/or developed from that position and categorize the skills into 3 Skills Categories.

Personal	Interpersonal	Technical
example.: organizing	example: training	example: word processing
