FOUNDATIONS OF FAITH COMMUNITY NURSING

April 6 - 8 & May 5 - 6
8:00am - 4:30pm

This course is a five-day experience-based program which consists of presentations, small group experiences, interactive work and play, meditation and creative workshop. It is designed to help the parish nurse learn to model health and to promote health and healing. Parish nursing offers new and meaningful opportunities to care for people in a unique and significant way. The Parish Nurse roles of health promotion, risk reduction and disease prevention focus on the whole person, holding the spiritual dimensions to be central to the practice.

Fee: \$525

Contact Hours: 40
