Cameras Added to Buses

Continuing its commitment to safety, Pierce Transit recently added interior and exterior cameras to most of its buses. With cameras capable of capturing both audio and video footage, this technology should help deter vandalism, and will provide another tool for investigating accidents.

In a 2014 Customer Satisfaction survey, 96% of Pierce Transit customers said they were satisfied or extremely satisfied with the level of safety. With the installation of cameras on buses, the Agency continues its long-standing commitment to ensure customer and employee safety.

Haggen Stores to Offer ORCA Sales

Haggen Food and Pharmacy is joining the region's network of ORCA retailers! At select Haggen locations, you'll soon be able to revalue your ORCA card, or purchase an adult ORCA card. Watch for news about store locations and hours of service at piercetransit.org.
