**PT TROLLEY**

**WHEN'S THE NEXT TROLLEY?**

Pierce Transit now features real-time bus arrival information when you visit [piercetransit.org](http://piercetransit.org) from your computer or smart phone. The "Find Your Bus" feature on [piercetransit.org](http://piercetransit.org) utilizes GPS tracking, interactive maps and color coded times that enable you to locate your stop and see up to the minute arrival information.

**ALL-ABOARD CANINE COMPANIONS!**

Whether human or canine, PT Trolley customers can expect an exceptional level of service. Leashed dogs will be allowed to board at no charge. Our only expectation for owners is that they're ready to clean up just in case the "unexpected" happens during the ride.

**BRING YOUR BIKE**

Trolleys have racks that hold bikes. If a bike rack is full, bikes may be brought on board unless it becomes too crowded. Cyclists are responsible for the security of their bikes, and must hold them throughout the ride.

**GET AROUND GIG HARBOR!**

Gig Harbor is a wonderful place to explore, especially in the summertime! Climb aboard the PT Trolley Route 101 and discover your new favorite places. You'll find event and destination details online.
