Charles D. York and Cheryl L. Storm Graduate Scholarships

Each year Pacific Lutheran University awards two new students in the MFT program 10,000.00K per year scholarships. These graduate scholarships are named for individuals who have been influential in the founding and shaping of the MFT program at PLU.

Fellowships

The MFT program also offers a limited number of one-year fellowships to incoming students. The fellowships involve working 5-10 hours per week in the clinic office, assisting the program coordinator or assisting faculty with research. Fellowship applications are mailed with letters of acceptance.

SCHEDULING OPTIONS

Students work with program Advisors to complete the Student/Program agreement. Students agree to complete their practica/theory sequence in four or five semesters and may provide a preference of either starting in the summer or the fall of year two. Any changes to this scheduling are made in consultation with your advisor.
