

**PACIFIC LUTHERAN UNIVERSITY**  
**School of Nursing**

**STUDENT PERMISSION TO RECEIVE MATERIALS**

In accordance with FERPA\* guidelines, the PLU School of Nursing must request your written permission before placing documents related to your PLU education, including, but not limited to, graded materials, in the student mail folder provided for you by the School. The use of your student mail folder expedites the flow of materials to you from the School of Nursing office, instructors, and fellow students. *Certain materials may not be placed in your mail folder without the return of this signed form to School of Nursing offices.*

(Please note that the student folders are arranged alphabetically and placed in the mail carts in the entryway of the School of Nursing office suite, in Ramstad 214.)

I, (print your name) \_\_\_\_\_,  
give the PLU School of Nursing, and its agents, my permission to place documents related to my PLU education, including, but not limited to, graded materials, in my student mail folder provided by the School, while I am an enrolled and/or admitted student of the PLU School of Nursing.
