**VIDEO:**

Please send us **one** video or DVD which includes highlights (if available) and his "best" game along with this form. Please send a duplicate copy, as we are unable to return the tape. Because it is often hard to find players on video, we would greatly appreciate you indicating the **athlete's name, jersey color, number, and exact position.**

*Note: We recommend that you do not send the video in a "fiber filled" envelope. These envelopes consistently break open by the time we receive them, and "fibers" get all over the tape. Thank you.*

We appreciate your time and extra effort in helping us recruit this young man. We rely on referrals, so if you ever know of a player that would be a good fit for our unique program, please let us know at [emalfb@plu.edu](mailto:emalfb@plu.edu).

**Thank you for assisting us!**
