# INTERN SUBSTITUTE CERTIFICATE

WAC 180-79A-231(6)

The intern substitute certificate is issued under special circumstances for a limited period of service to an individual who is undergoing student teaching/internship, but does not yet meet requirements for a regular certificate. A school district, educational service district (ESD), or approved private school must request the intern substitute certificate, and a college/university must approve the candidate. An individual cannot apply for an intern substitute certificate without a formal request by a school district, educational service district, or approved private school and verification of program enrollment by a college/university.

### HOW TO APPLY FOR REINSTATEMENT OF A CONTINUING CERTIFICATE IN WASHINGTON

**Step 1. Fingerprints.** Washington State law requires that any applicant who does not hold a valid Washington certificate must be fingerprinted for a state and national background check. Submit fingerprints **in person** at an Educational Service District (ESD, see table below) or obtain fingerprint instructions at an ESD or the Office of Superintendent of Public Instruction (OSPI). (See Step 2 or 4 for contact information.) **Do not delay fingerprinting until you are ready to submit your application for certification. You can have fingerprints taken before coming to Washington.** Since fingerprints could delay the application process by eight to ten weeks, we urge you to initiate this process as soon as possible. Fingerprints are submitted separately (and are best submitted several months earlier than the application). Do not wait to receive fingerprint results before submitting your application (Step 2).

**Step 2. Application.** Submit complete application and application fee, to include all applicable materials in the checklist on page 2 to one of the nine Educational Service Districts (ESDs) shown below. Do **not** send your application and fee to OSPI. OSPI is not authorized to collect fees. All certification fees are non-refundable.

**Step 3. Permit.** You may need a temporary permit while awaiting the new certificate. Upon receipt of appropriate materials and fee(s) and upon determination of eligibility, the ESD office can issue the applicant a temporary 180-day permit. With a permit, an applicant can be hired and can teach while awaiting final certification.
