Welcome to the LRC!

CHECK-IN

When you arrive there will be a student consultant ready to sign you in; don't forget to bring your PLU ID card with you. These consultants are here to help you with any questions or problems you may have about computers or foreign languages. Each student is fluent in at least one language currently taught at PLU and is available for language tutoring as well. Be sure to check the LRC schedule for your language specialist's availability, posted on the LRC webpage and in the LRC.

We have a number of tools to aid your language learning...
