

## Fall 2007 Music Student Reference

### TIPS FOR SUCCESSFUL REGISTRATION:

- **You may register for up to 17 credits via the web.** If you wish to exceed 17 credits, register for the first 17 via the web, and then go to the Student Services Center (ADMN-102) for assistance with the extra credit(s). **Important:** The Student Services Center cannot register you for courses where permission is required from the Music Department.
- **Determining the number of credits for your class:** Unique to the Music Department is the ability to select a variable number of credits for some classes. When you submit your registration the system will assume you want to take the minimum number of credits. However, a list box will appear in the credit column that will allow you to change the number of credits for the class. Select the desired number of credits and click the "Submit Changes" button to change the number of credits. Double check your total credits to make sure the changes have been recorded.
- **PREQ & TEST SCORE-ERROR:** If you get this error message contact the Music office at 253.535.7602 for assistance.
- **Registering for private lessons during Summer:** Please contact the Music Office for assistance.
- **Registering for private lessons during Fall:**  
New Music Students: If you have not taken a music lesson at PLU before, please contact the Music Office (MBRC 206) to register for music lessons.  
Returning Music Students: From the list below, identify the class you wish to take by course number, number of credits and instructor. Please note that you may only take private lessons at the 200-level for 4 semesters; after 4 semesters, you must begin taking private lessons at the 400-level. Note the CRN, and then log in to Banner Web and register following the registration process outlined on page 8 of the Summer/Fall 2007 Class Schedule.
- **Registration for MUSI 201, MUSI 401, MUSI 421A, 3-4 credit Private Lessons, and MUSI 499** requires the approval of the music department. Go to the Music Office (MBRC-206) for assistance.
- **Fall Music Ensemble registration:** Fall ensemble placements are determined by auditions. These auditions are held in September during orientation weekend, just prior to the start of all classes. Ensemble faculty members will determine student ensemble assignments. Ensemble membership lists will be posted in the backstage area of MBR. Students need to check these lists and register for their assigned ensemble(s) in the Music Office (MBRC 206) as soon as possible.
- **Fall general music classes and ensembles:** See pages 35-36 of the Summer/Fall 2007 Class Schedule.
- **Registration after the Fall add deadline:** Students will need to contact the Music Office, MBRC 206, to complete their registration after September 10, 2007 (last day to add for Fall 2007).

If you need assistance at any step in the process, the Music Department, Registrar's Office, and Student Services Staff are here to assist you.

## PRIVATE LESSONS

**IMPORTANT: Registration for a private lesson carries with it a concert attendance requirement for full-time students. By registering for a private lesson, you agree to the concert attendance policy and its requirements.** Signup lists for specific dates and times of Fall lessons should be available on your instructor's office door by the end of Summer.

CONCERT ATTENDANCE REQUIREMENT:	
Concert Category	Number of required concerts
Professional / Faculty Concert	1 concert required
Student Ensemble Concert	2 concerts required
Other Concerts	3 concerts required from any category

Private lesson students must attend 6 concerts as listed above during the semester. Failure to attend these concerts will result in a grade reduction. See the Approved Concert Attendance List for exact details on our web page:  
<http://www.plu.edu/~music/anouncements.html>

Select the desired class(es) by course number (Crse), number of credits and instructor. Please note that one credit course numbers end with an “A”, two credit course numbers end with an “B”, and course numbers for classes which may be taken for three or four credits end with a “C.”
