Breakout Session 1 - Academic Information Sessions

Humanities – Morken 216
**Majors: Chinese, Classical Studies, English, French, German, Norwegian, Philosophy, Religion, Spanish (Hispanic Studies)**
Dean James Albrecht will discuss the exciting opportunities in PLU’s Division of Humanities. You’ll hear from a panel of students majoring in the Humanities, who will tell you about their work in the classrooms, relationships with faculty, study-away opportunities, co-curricular activities—and more. And faculty from the Departments of English, Languages and Literatures, Philosophy, and Religion will be on hand to answer your questions, too.

Interdisciplinary Programs – University Anderson Center 201
**Majors: Chinese Studies, Environmental Studies, Global Studies, Scandinavian Area Studies, Women’s and Gender Studies.**
Dr. Jan Lewis will address the unique opportunities in PLU’s Interdisciplinary Programs. Hear from a panel of students with interdisciplinary majors, who will tell you about their work in the classrooms, relationships with faculty, study-away opportunities, co-curricular activities—and more.

Natural Sciences – Rieke Science Center, Leraas Lecture Hall
**Majors: Biology, Chemistry, Computer Science, Computer Engineering, Dual Degree Engineering, Geosciences, Mathematics, Physics.**
Dean Matt Smith will address the distinguishing features of PLU’s Division of Natural Sciences. Hear from a panel of students majoring in the Natural Sciences, who will tell you about their work in the classrooms and laboratories, relationships with faculty, study-away opportunities, co-curricular activities---- and more. You’ll also get the opportunity to learn more about the academic program of your choice.

Social Sciences – Xavier Hall, Nordquist Lecture Hall
**Majors: Anthropology, Economics, History, Political Science, Psychology, Social Work, Sociology.**
Dean Dave Huelsbeck will discuss the exciting facets of PLU’s Social Sciences Division. Hear from current students majoring in Social Sciences. Enjoy mini History and Sociology courses and discover the concepts that PLU students come to master as part of their Social Science curriculum.

School of Arts and Communication – Karen Hille Phillips Center, Studio Theater
**Majors: Art History, Studio Arts, Communication, Theatre - Acting/Directing & Design/Technical Theatre, Music.**
Dean Cameron Bennett will address the different directions of PLU’s School of Arts and Communication (SOAC). Hear from SOAC Department Chairs and Members of the SOAC Student Advisory Board to learn about their experiences both inside and outside the classroom and studio.

School of Business – Morken 103 & 105
**Major: Business Administration with concentrations in Accounting, Finance, Management & Human Resources, Marketing**
Director of Undergraduate Programs, Juanita Reed will discuss the unique facets of PLU’s School of Business. Hear from current students and enjoy a mini Business course lead by an accomplished faculty member. Discover the concepts that PLU students come to master as part of their School of Business curriculum.

School of Education & Kinesiology – Education: Hauge Administration 101 & Kinesiology: Morken 131
**Majors: Education with concentrations in Outreach Education and Elementary Education; Kinesiology with concentrations in Health and Fitness, Pre-Physical Therapy and Exercise Science.**
Education – Dean Frank Kline and Associate Director of Recruitment, Bree Van Horn, will talk about the various paths of PLU’s teacher education programs. The session will feature a panel discussion with students currently enrolled in the program.
Kinesiology – Dr. Nicole Martin will address the exciting opportunities of PLU’s Kinesiology Department. Dr. Charles Katica will provide a tour of the facilities and a hands-on demonstration.

School of Nursing – Regency Room
**Majors: Nursing**
Dean Sheila Smith together with Associate Dean Teri Woo will discuss the distinguishing facets of PLU’s School of Nursing. Hear from current nursing students. Discover the concepts that PLU students come to master as part of their nursing curriculum. Dr. Mary Moller will provide a classroom demonstration with interactive learning. Parent Session – Dean and Professor of Nursing will answer questions and address topics selected by parents.
