1. Health Center Consent and Release This document has legal significance; please read it carefully.

PLU will keep your medical records confidential, and they will only be used for the provision of health care services. Because of PLU's promise of confidentiality, you, as the student, must inform Residence Hall staff or other university personnel (i.e. physical education instructors or athletic coaches) of any medical condition that you have that could be of concern while you are attending PLU. Furthermore, you are responsible for wearing a Medic Alert bracelet, necklace, or similar device to warn health care providers of your diabetes, hemophilia, heart disease, seizure disorder, drug allergies, or other significant medical conditions.

In the event that PLU is required to rely on this consent to authorize necessary medical care and treatment for the student, the undersigned, individually and jointly, agree to indemnify and hold PLU harmless for the costs incurred for said emergency care and treatment, including reasonable attorney's fees and costs incurred in defending and/or instituting a suit to recover said medical expenses.

As a PLU student, I consent to any necessary medical or surgical treatment in the event of a medical emergency as confirmed by any attending physician, advanced registered nurse practitioner, or physician assistant at PLU Health Services. If the student is under 18 years of age, PLU will attempt to contact the undersigned parent or guardian for approval before relying on this consent. In addition, the undersigned student must personally consent to said medical procedure if he or she is physically and emotionally capable of consenting at the time such treatment is required.

IMMUNIZATION RECORD

You will not be permitted to register without proof of your 2 MMR dates

Places to look for official immunization documents include your high school, primary care provider's office, parent's official records, your Public Health Department, and military records. If you are unable to locate this information, we are able to offer you immunizations at the Health Center at reduced cost. Please call the Health Center at 253-535-7337 option 2.

If you were born prior to 1 January 1957, you are considered immune due to exposure to these diseases, and you are not subject to the immunization requirements.

For all other students:
