### Xavier Hall

22

Xavier Hall was once PLU's library, but now functions as the headquarters for our Department of Social Sciences. It is also home to Nordquist Lecture Hall, the second largest lecture hall on campus.

### Hauge Administration Building

13

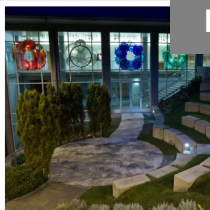

The Hauge Administration Building (or 'Admin' for short) is home to the majority of all administrative offices on campus, our Education Department, and Department of Humanities.

### Ingram Hall

10

Ingram Hall is home to the headquarters for our School of Arts and Communication (SOAC). It is also home to our University Gallery and all of our art studio spaces.

### Mary Baker Russell Music Center

The Mary Baker Russell Music Center (MBR) is where all of our music practice spaces, group rehearsal rooms, and the beautiful Lagerquist Concert Hall, are located. Over 100 concerts are performed in Lagerquist each year!

### Wang Center for Global Education

18

The Wang Center is where you go for all things 'study away'. Receiving a global education is extremely important and accessible at PLU. Nearly 50% of PLU students will study away during their time here, compared to the national average of just 10%.

### Rieke Science Center/Foss Field

32

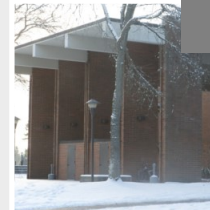

The Rieke Science Center is home to our natural sciences on campus, in addition to housing all of our on-campus laboratory spaces and our largest lecture hall. Foss Field is home to lots of events each year and a popular spot for students to hang out or participate in intramurals.

### Morken Center for Learning & Technology

The Morken Center for Learning and Technology is home to our School of Business, in addition to our Engineering 3-2 Program, computer science classrooms and many of our mathematics classrooms.

### Olson Gymnasium

### Memorial Gymnasium/Names Fitness Center

Memorial Gymnasium was once PLU's main gym, but now it houses our ROTC program and Names Fitness Center. Names is the main workout facility for students on campus.

### Ramstad Hall

27

Ramstad Hall is where our School of Nursing is headquartered. The top floor is where nursing simulation labs are located, and the lowest level is where our psychology labs are located. Our School of Nursing is one of our most competitive programs on campus, with a 99% job placement rate post-graduation.

### Karen Hille Phillips Center/Red Square

The Karen Hille Phillips Center (KHP) is home to Eastvold Auditorium, one of two performing arts centers on campus, and home to both our University Chapel and Studio Theater. Red Square is the forefront of upper campus and is home to several events throughout the school year.
