WORK EXPERIENCE

Marketing Designer

GeekGirl Co.

Jan 2022-present

Seattle, WA

- Create unique graphic designs for clients utilizing Adobe and Canva to meet their requests
- Provide weekly graphic advertisements for GeekGirl products and report any printing issues to the head marketing supervisor
- Maintain a civil working environment by building positive relationships with copywriting team and fellow employees
- Maintain an organized work environment such as emptying trash cans, sanitizing desk areas and put supplies away after use
- Answer over 20 emails and phone calls daily from clients to answer any questions about the company or their order

**Graphic Designer
Impact**

**August 2020 - May 2021
Tacoma, WA**

- Worked for a student-run agency with a team of 6 designers and created over 25 logos and brands for local companies or small businesses
- Submitted 3 designs to Pacific Lutheran University's Marketing and Communications department to consider for representation of the school, and all were selected.

LEADERSHIP

Yearbook Club Head Editor

Franklin Pierce High School

Feb-May, 2020

Tacoma, WA

- Assisted team of 5 students with editing over 100 photos for the sports section
- Instructed students on how to properly use cameras/supplies for taking photos
- Created a total of 12 graphic designs for each category in the yearbook
- Assisted with photography of school events such as fundraisers, drama club performances, and football games.
- Interviewed students on their favorite spirit weeks, music, movies, and school events to include in the annual yearbook.
