

Internship Weekly Learning Log

Student Name:

Internship Site:

Total Hours Completed:

Questions to consider for each entry:

- What did you accomplish at your internship site this week?
- How did you work toward meeting your specific learning objectives? Be specific and use examples.
- What, if any, challenges did you encounter this week? These could be technical challenges, interpersonal challenges, communication issues, etc. How did you address these challenges? Who can help you overcome these challenges?
