Submit a Class Note

Many dogs (and one cat) take the bite out of PLU finals week and even play the role of ice-breaker. At the annual Finals Week flower and plant sale sponsored by the Office of Student Life, students and staff can purchase plants for their dorm rooms or houses near to campus. During the build of the home, for Humanity in The Woods at Golden Given, a sustainable-design home sponsored by PLU, Thrivent Financial for Lutherans and Habitat for Humanity in the Woods, student volunteers worked hard to build a house that was energy efficient and eco-friendly. Nearly 1,500 volunteer hours were logged by over 235 PLU students, staff, alumni, and friend volunteers.

Decompress Announcement Photos
Check out the variety of photos from Winter Commencement. Congratulations to all the graduates and their families!
