CHOIR OF THE WEST

Under Professor Gunnar J. Malmin's inspiring leadership, the 1944-45 Choir of the West was able to maintain its high standard of performance in a heavy schedule of appearances.

The first appearance was at the Golden Jubilee Celebration in October. By December 14th the choir was ready for its four day annual tour, which was made in Northern Washington this year. Rev. L. A. B. Nelson, business manager of the choir, kept things running smoothly on the trip as well as at the many other appearances of the choir.

Among their many public performances were those at the Shipyards, Union Station Depot, Fort Lewis, Tacoma Town Hall radio program, Old Folk's Home at Puyallup, and Sunday evening radio broadcasts over station KVI.

Soloists for the Choir this year were Marion Soltman and Lydia Lentz, sopranos; Hjordis Rogen and Anita Norman, altos.
