## Choir of the West

The strains of "Alleluia" by the Choir of the West have echoed through many churches and auditoriums this school year. Trips through the Middle-West and Western Washington gave them a well-filled itinerary.

While the choir membership was preparing their songs, they realized their need of new robes. The robes are a different style but are still the traditional black and gold color.

Christmas found the choir and its director busy singing for McChord Field, Fort Lewis, Western State Hospital, the Junior League Women of Tacoma, and the main event—the Annual Christmas Concert in our Gymnasium.

Poulsbo, and Bremerton came between semesters. Following that were concerts at Kent, Longview, Olympia, Seattle, and Tacoma.

The big trip to the Middle-West covered towns and cities in North Dakota: Grand Forks, Williston, Fargo; Minnesota: Fergus Falls, St. Paul, Minneapolis, Northfield (St. Olaf College), Waverly (Wartburg College); Illinois: Rocy Island (Augustana College), Chicago, Rock Falls; Wisconsin: Stoughton, Eau Claire, and Pigeon Falls.

The week after returning home the choir sang its Homecoming Concert in the Gymnasium.

Mr. Malmin is the able director and the officers for the year were Louis Brunner, president; Dick Svare, vice president; Marilyn Pflueger, secretary.

All choir members can say that this was a most inspiring and enjoyable year!
