

Gunnar J. Malmin, Director

Choir of the West

The Choir of the West, whose tour this year included four western states, finished a highly successful season by making recordings for broadcasts on Radio Free Europe, the Voice of America, and the Armed Forces Radio Service. Appearances this year included various congregational anniversaries and synodical conventions, radio and television appearances at Christmastime, the Sixtieth Anniversary Pageant, the All-City Reformation Festival, concerts in Seattle, Spokane, Boise, Salt Lake City, and other cities of the Northwest, and singing from the Tacoma Christmas Ship. Under the guidance of Mr. Gunnar J. Malmin, the Choir performed selections from the world's greatest sacred choral literature, ranging from Bach's motet "Jesu, Priceless Treasure" to Healey Willan's "An Apostrophe to the Heavenly Hosts."
