Choir of the West

Officers: L. to R.: G. Erickson, vice-president; D. Dahl, president; M. Engen, secretary-treasurer.

Director Gunnar J. Malmin.

The Choir of the West is one of PLC's most noted musical organizations doing much to further the college's public relations. Under the direction of Professor Gunnar Malmin, the choir made its thirty-second annual tour during March. The two-week tour extended down the Pacific Coast through Washington, Oregon and California cities. The program of the choir consisted solely of sacred music. Besides this annual tour, the choir made recordings and radio broadcasts, sang for civic and church affairs and concluded the year by singing for the Baccalaureate and Commencement.

Margaret Hodge, soprano soloist.
