Choir of the West Travels East

Planning a choir tour are Gunnar J. Malmin, director; P. Fendler, secretary; B. Scherer, vice president; and G. Erickson, president.

Singing great and beloved sacred music, spreading good will for Pacific Lutheran College, and enriching their own spiritual lives, the members of the Choir of the West completed the season. Concert tours for 1959 and 1960 took the group to Vancouver, British Columbia, between semesters, and to Minneapolis, Minnesota, in the spring for the merger convention. Under the direction of Professor Gunnar J. Malmin, the traditional Christmas concert numbers were offered. To complete the year's activities, the choir made various appearances in the Tacoma area, spreading the gospel message in song.
