Choir of the West

OFFICERS: W. Aalto, Chaplain; O. Jacobson, President; E. Erickson, Secretary-Treasurer; D. Sanders, Vice-President. NOT PICTURED: O. Malmin, Student-Director.

The thirty-fifth annual concert season of The Choir of the West became history as its sixty members made a two-week visit to Lutheran congregations of the Western States. Under the direction of Gunnar J. Malmin, a program of all sacred music was heard in cities of Washington, Oregon and California.

Before and after the tour the choir performed for various civic affairs around the Tacoma area. In addition to these activities they also made recordings and radio broadcasts. The choir has maintained a high degree of both scholarship and musicianship. All members are required to further their study with private voice lessons.
