**Remove mentions of ADN to BSN program from Nursing catalog.**

**~~• A.D.N. to B.S.N. Sequence:~~**

~~Students must successfully complete Biology 201, 205 and 206; Chemistry 105; Psychology 101 and 320; and Statistics 231 with a minimum cumulative GPA of 3.00 on a 4.00 scale before beginning the nursing program.~~

## **Prerequisite and corequisite courses**

- ~~BIOL 201: Introductory Microbiology~~
- ~~BIOL 205: Human Anatomy and Physiology I~~
- ~~BIOL 206: Human Anatomy and Physiology II~~
- ~~CHEM 105: Chemistry of Life~~
- ~~PSYC 101: Introduction to Psychology~~
- ~~PSYC 320: Development Across the Lifespan~~
- ~~STAT 231: Introductory Statistics~~

~~All the above named courses are offered by academic departments other than the School of Nursing, and are administered by those respective departments in regard to scheduling, evaluation, grading and other matters. Prerequisite and corequisite courses taken off-campus must be approved for equivalency with PLU courses. Applicants are encouraged to review the School of Nursing "Comparable Course Guide," which shows courses at Washington State colleges and universities that fulfill nursing course requirements (available at [www.plu.edu/nursing/](http://www.plu.edu/nursing/)). Applicants must submit course descriptions and syllabi for courses completed out of state and/or that do not appear on the comparable course guide. The PLU Registrar evaluates all transcripts and is the only department that approves credits for transfer to Pacific Lutheran University. However, the School of Nursing determines whether or not a course will fulfill the nursing prerequisite requirement. To be awarded a B.S.N. degree, all students must meet both nursing and university requirements.~~

## **B.S.N. Sequence for Licensed Registered Nurses**

**The B.S.N. sequence for licensed registered nurses is currently on hiatus. The School of Nursing will not be accepting applications during the 2018-19 academic year.**

~~The A.D.N. to B.S.N. program begins with the foundation of the knowledge, skills and experience of the registered nurse and builds an expanded framework for advanced nursing practice in today's health care delivery systems. This program is designed for the registered nurse with at least one year of direct care nursing experience.~~

~~Upon successful completion of the B.S.N. degree with a cumulative 3.00 PLU grade point average, and successful completion of the Graduate Record Exam (GRE), the student may begin an expedited application process for the M.S.N. program. Admission to the M.S.N. program at PLU is neither implied nor guaranteed. (See Graduate and Post-Baccalaureate Programs section of this catalog.)~~
