

RN Refresher Q & A

PIU | **CENTER FOR CONTINUED NURSING LEARNING**
AT PACIFIC LUTHERAN UNIVERSITY

About the program:

- PLU hosts a Washington State approved refresher nursing course. Successful completion of an approved course is required for return to active status of a Registered Nurse license that has been inactive or lapsed three or more years,
- WA State Nursing Commission/DOH lists approved course providers on their website [Commission approved refresher courses \(PDF\)](#)
- Admission to the RN Refresher Course is open to Registered Nurses with an active, unencumbered license, as well as those with an inactive or expired license who apply for reactivation through Washington State Department of Health
<https://nursing.wa.gov/licensing/renew-or-reactivate-license>

Requirements, cont.

Complete and sign the Release and Hold Harmless Agreement

Completion of the Personal Health History form and all screening and immunization: TB Screening, MMR, Hepatitis B, Chicken Pox, Tetanus, COVID-19, Flu. To see the specific requirement please fill out the Clinical Passport form. https://cpnw.blob.core.windows.net/documents/clinicalPassport/Passport_fillable.pdf

Successful completion of all RN Refresher *Lab Skills* sessions, as evaluated by the instructors

Be ready and available for all clinical shifts on any day of the week, including holidays, weekends, night shifts and 8 – 12 hour shifts. To facilitate your successful completion of the clinical experience other **employment during this same 5 weeks as your clinical is highly discouraged.**

Be able to meet the list of Physical and Psychological Expectations of Nurses Returning to Professional Practice

If not already done so complete 6 hrs. of Suicide Prevention education approved by WA State prior to starting your clinical placement <https://doh.wa.gov/public-health-healthcare-providers/healthcare-professions-and-facilities/suicide-prevention/training-programs/model-list>

Miscellaneous considerations

There may be a commute involved to reach your clinical placement facility. However, we will make every effort to secure your clinical placements within 60 miles of the PLU campus in Tacoma. Please consider planning ahead for child care and commute strategies.
