

American Chemical Society Puget Sound Section

presents

“Careers in Chemistry”

February 17th, 2016 1-5 PM

Brightwater Center

22505 State Route 9 SE, Woodinville, WA 98072, 206-263-9412
<http://www.kingcounty.gov/services/environment/brightwater-center.aspx>

Key note speaker: Pam Elardo

will speak on

Careers in Clean Water

Pam Elardo is the director of the King County Wastewater Treatment Division, one of the largest public wastewater utilities on the U.S. west coast. She is also president of the Living Earth Institute, a non-profit organization which works at the grass-roots level with communities in the developing world to implement sustainable sanitation and water resource technologies.

Recommended for all undergraduate science students
Free admission and open to all

Space is limited. Please register by February 12th to participate in this event.

Registration information is available at: <http://pugetsound.sites.acs.org/>
