

*Want to go to Graduate School?  
Come and learn about the application  
process and more at our:*

**Virtual  
Application “Boot Camp” for Bench  
Science PhD Programs at  
The Graduate Center, CUNY**

**Friday, November 13, 2020  
1:00pm-3:00pm**

*Join us to learn about:*

- How to craft a competitive application and write an effective personal statement.
- How to apply to The CUNY Graduate Center Ph.D. Programs in Biology, Biochemistry, Chemistry and Physics.

*There will be breakout sessions for [Biology](#), [Biochemistry](#), [Chemistry](#) and [Physics](#) PhD Programs to answer program specific questions along with research highlights from faculty and students.*

**\*\*RSVP by November 10th via Eventbrite to ensure that you receive the Zoom link for this event.**
