## **PLU Visitor Health Attestation Form**

Per the State of Washington's Campus Reopening Guide, PLU is asking visitors to "self-certify that they have experienced no COVID-19" symptoms since their last visit to campus. This requirement serves the purpose of ensuring that all campus community members remain vigilant of their health in order to avoid the possible transmission of COVID-19 onto our campus.

	PRINT NAME SIGNATURE DATE
I read	he statement above and attest that the answers are accurate, to the best of my knowledge:
•	re sick or responded yes to any of the questions <b>you will need to reschedule your visit to PLU</b> . t your health care provider for medical guidance.
0.	Since your last PLU Wellness Check-In, have you traveled outside Western Washington to a COVID-19 "hotspot" (i.e., a location where infection rates are increasing for the last 14 days, or where infections are widespread)? If the answer is yes, PLU requires employees/visitors to self-quarantine for 14 days OR to quarantine-test-quarantine. (See the PLU COVID website for details.) YESNO
c	
	was not observed and/or people were not wearing face coverings?  YES NO
5.	In the last 14 days, have you attended a gathering of more than five people where physical distancing
	YESNO
