### **What is the Sexual Assault Peer Education Team?**

- Female & male students who raise awareness & facilitate discussions with their peers about sexual assault & related issues

SAPET presenters talk about:

- healthy communication & active consent
- role alcohol plays in sexual relations
- empathy and support for survivors of sexual assault
- role men play in preventing violence against women
- community resources

### **SAPET members gain skills & build their resumés:**

With 10 hours of training, you can:

- Help organize events and SAPET presentations
- Promote awareness by tabling and giving out information

With 24 hours of training, you can:

- Facilitate trainings and give presentations to your peers
