

TIFFANY M. ARTIME, Ph.D.

(Formerly Tiffany M. Mueller)

EDUCATION

- August 2013 Doctor of Philosophy in Clinical Psychology (APA Accredited)
with a *Specialization in Trauma Studies*
University of Missouri-St. Louis, Saint Louis, MO
Dissertation: *Cognitive Conceptualizations and Schemata as Predictors of Distress in Female Rape Victims.*
Faculty Advisor: Zoë D. Peterson, Ph.D.
- May 2010 Master of Arts in Clinical Psychology (APA Accredited)
University of Missouri-St. Louis, Saint Louis, MO
Thesis: *The Mediating Effects of Emotion Regulation on the Relationship between Childhood Maltreatment and Risky Sexual Behavior*
Faculty Advisor: Zoë D. Peterson, Ph.D.
- June 2005 Bachelor of Arts in Psychology (with Honors)
Seattle Pacific University, Seattle, WA
Magna cum laude
Honors Thesis: *The Feasibility and Usefulness of Peer Counseling at Seattle Pacific University*

CLINICAL LICENSURE AND CERTIFICATION

- Oct 2014 Licensed Psychologist (Washington), License #60461645
to Present

ACADEMIC APPOINTMENTS

- Aug 2016 **Assistant Professor (Tenure-Track)**
to Present *Pacific Lutheran University, Tacoma, WA*

Undergraduate Courses Taught

Abnormal Psychology
Field Internship Supervision
Personality Psychology
Trauma and Recovery
Counseling Theories

Aug 2013 **Assistant Professor (Tenure-Track)**
 to Aug 2016 *Saint Martin's University, Lacey, WA*
Undergraduate Courses Taught
 Introduction to Psychology
 Trauma and Recovery
 Psychology of Women
 Counseling Theories
 Senior Seminar/Thesis
 Child and Adolescent Development
 Personality Psychology
 Multicultural Psychology
 Social Psychology

TEACHING EXPERIENCE

Fall 2011- **Instructor**
 Spring 2012 *University of Missouri-St. Louis*
Faculty Mentor: Robert Harris, Ph.D.
Undergraduate Course Taught
 Child and Adolescent Development

Aug 2008 **Teaching Assistant**
 to May 2009 *University of Missouri-St. Louis*
Supervisors: Miles Patterson, Ph.D., Tara Galovski, Ph.D., Matthew Taylor, Ph.D., Jennifer Siciliani, Ph.D.
 Courses including Introduction to Psychology, Social Psychology, Psychology of Victims, and Multicultural Psychology.

RECENT RESEARCH

Aug 2014 **Primary Investigator**
 Jun 2015 *Saint Martin's University Campus Sexual Assault Climate Survey*

- Coordinated and implemented campus climate survey per White House recommendations and federal and state legislation
- Dissemination of results to university Board of Directors, public safety, and student affairs personnel
- Provide consultation based on results to campus entities in charge of researching, investigating, and adjudicating sexual assault cases on campus

Jan 2014 **Primary Investigator**
 to Jul 2014 *YWCA Racism Study, Olympia WA*

- Coordinated a service learning research project involving students from a Psychology of Women course to investigate perceptions of racism among YWCA clients
- Supervised undergraduate qualitative data collection in focus groups, analysis of interview transcripts, and presentation of findings to YWCA staff
- Conducted pedagogical research on the effectiveness of service learning strategies in multiple courses with different projects

RESEARCH EXPERIENCE IN DOCTORAL PROGRAMJune 2011 **Doctoral Dissertation**to Mar 2013 *University of Missouri-St. Louis**Chair: Zoë Peterson, Ph.D.**Committee Members: Steven Bruce, Ph.D., Ann Steffen, Ph.D., Kristin Carbone-Lopez, Ph.D.**Title: Cognitive Conceptualizations and Schemata as Predictors of Distress in Female Rape Victims.**Funded, \$1000, UMSL Psychology Department Dissertation Research Award*

- Conducted an original study recruiting female undergraduate students to examine how rape victims' conceptualizations of blame, wantedness, consent, and severity relate to global schemata about the self, world, and others.
- Investigated conceptualization and maladaptive schemata as predictors of distress.
- The study is longitudinal, examining how changes in conceptualization and schemata over time affect levels of distress.

Aug 2010 **Graduate Research Assistant**to June 2012 *Center for Trauma Recovery, University of Missouri-St. Louis**Supervisor: Steven Bruce, Ph.D.*

- Served as a treating clinician and conducted assessments for an NIH funded project entitled, "Abnormality of Emotional Circuitry as a Biomarker in PTSD" (1RC1-MH089704-01, \$870,387).
- Provided evidence-based, trauma-focused psychotherapy.
- Assisted with recruitment by conducting phone screens and scheduling.

Aug 2010 **Specialty Examination (Qualifying/Comprehensive Examination)**to May 2011 *University of Missouri-St. Louis**Chair: Zoë Peterson, Ph.D.**Committee Members: Steven Bruce, Ph.D., Ann Steffen, Ph.D., Kristin Carbone-Lopez, Ph.D.**Title: The Relationships Among Rape Conceptualizations, Schemata, and Psychological Distress in Female Rape Victims*

- Conducted a critical literature review to prepare an extensive paper on a focused area of research and passed an oral defense of the manuscript.
- Review covered aspects of rape victim conceptualization including blame, wantedness, consent, severity, and acknowledgment and how they relate to distress.
- Cognitive processing theories of posttraumatic stress were applied to these relationships.

Jan 2009 **Co-Investigator, Traumatic Sexualization Survey Validation Study**to May 2011 *University of Missouri-St. Louis*

- Conducted an original online study examining the psychometric validity of the Traumatic Sexualization Survey with a sample of heterosexual men.
- Assisted with the development of research design, selection of measures, and Institutional Review Board documentation.

- Aug 2008
to Apr 2010
- Independent Research Project (Master's Thesis)**
University of Missouri—St. Louis
Chair: Zoë Peterson, Ph.D.
Committee Member: Tara Galovski, Ph.D.
Title: The Mediating Effects of Emotion Regulation on the Relationship between Childhood Maltreatment and Risky Sexual Behavior.
- Assisted with measure selection and data entry on a NICHD funded project (R21HD055831, \$345,311)
 - Recruited male participants from urban STD clinics to examine correlates of sexual risk-taking and sexual aggression perpetration.
 - Analyzed data related to men's reports of childhood maltreatment and adult risky sexual behavior.
 - Prepared a written manuscript which is currently published in *Journal of Aggression, Maltreatment, and Trauma*.

OTHER RESEARCH EXPERIENCE

- Jan 2008
To Dec 2008
- Research Participant Coordinator**
Behavioral Tech Research, Seattle, WA, Supervisor: Linda Dimeff, Ph.D.
- Managed recruitment and longitudinal assessment of participants for randomized control trials studying dissemination of evidence-based treatments for mental health professionals.
 - Assisted with writing grant applications and online course development.
 - Conducted client role plays with therapist participants, coordinated participant financial compensation, and performed data entry and transcription.
- Sep 2006
to Jun 2008
- Research Assistant**
University of Washington Center for Anxiety and Traumatic Stress, Seattle, WA
Supervisors: Lori Zoellner, Ph.D., Michelle Bedard, M.A., Jeff Jaeger, M.A., Aileen Echiverri, M.A.
- Independently administered psychophysiological experimental protocol (3-4 hours) with adult participants for a randomized clinical trial comparing the effects of psychopharmacological treatment and Prolonged Exposure on PTSD.
 - Conducted Structured Clinical Interview for DSM-IV with control participants.
 - Performed data entry, cleaning, and analysis, conducted phone screens, trained new research assistants, and collaborated on professional presentations.
- Sep 2007
to Jun 2008
- Research Assistant**
University of Washington Center for the Study of Health and Risk Behaviors, Seattle, WA
Supervisors: Mary Larimer, Ph.D., Brianna Woods, M.A.
- Conducted semi-structured interviews with adolescent and parent participants for a study examining risk and protective factors involved in adolescent alcohol use in a diverse population.
 - Assisted with phone and school recruitment, performed data entry, cleaning, transcription, and analysis
 - Conducted in-school surveys with adolescents, and collaborated on a manuscript

- Sep 2003
to May 2004 **Research Assistant**
Seattle Pacific University
Supervisor: Marcia Hoover, Ph.D.
- Performed data entry and cleaning and manuscript editing support for a doctoral dissertation study examining the mediating effects of marital status on Multiple Sclerosis symptomatology.

SUPERVISION OF RESEARCH

- Jan 2015
to Present **Undergraduate Research Advisor/Mentor**
Aileen Lovitt- *Parenting and Emotional Styles: Comparing Military and Civilian Parents*
Hanna Hernandez- *Relationships Among Functional Impairment, Depression, and Perceived Longevity in Older Adults*
- Mentored undergraduate student in independent research projects as part of a research internship
 - Sponsored regional conference poster submissions

- Sep2015
to Present **Dissertation Committee Member**
Matthew Waxler (Adler University)- *An Examination of Rape Myth Acceptance and Traditional Gender Roles among Licensed Mental Health Clinicians*

- Dimidjian, S., Dimeff, L., Hubley, S., Martell, C., Herman-Dunn, R., Woodcock, E., Paves, A., Skutch, J.M. & **Mueller, T.** (2008, November). *Steps toward dissemination of Behavioral Activation: Development and use of online training*. Poster presented at the Association for Behavioral and Cognitive Therapies, Orlando, FL.
- Echiverri, A., Zoellner, L., Corning, K. & **Mueller, T.** (2008, October). *What attentional blink can tell us about dissociation*. Poster presented at the Society for Psychophysiological Research Conference, Austin, TX.
- Woods, B.A., **Mueller, T.M.**, Lewis, M., & Larimer, M.E. (2008, June). *Emotion regulation strategies as a predictor of alcohol use in affluent adolescents*. Poster presented at the Research Society on Alcoholism Conference, Washington D.C.
- Mueller, T.** (2005, June). *The feasibility and usefulness of peer counseling at Seattle Pacific University*. Poster presented at the Seattle Pacific University Scholars Celebration, Seattle WA.

CLINICAL EXPERIENCE

- Aug 2015 to present **Psychologist**
Family Foundations Counseling, Tacoma, WA
- Independently provide psychotherapy for adults and couples
 - Specialization in trauma-focused therapy and cognitive behavioral therapy for depression and anxiety
 - Panned with Premera, Regence Blue Shield, and First Choice Health Network
- July 2012 to June 2013 **Doctoral Intern**
Washington State University Counseling and Testing Services (APA Accredited), Pullman, WA
Eastern State Hospital, Spokane, WA
Supervisors: Jane Barga, Ph.D., Susan Simonds, Ph.D., Michele Larrow, Ph.D. and Juan Ramirez, Ph.D.
- Completed rotations at the university counseling center and hospital adult acute inpatient unit.
 - Provided individual, group, and couple's psychotherapy for college students and spouses.
 - Conducted cognitive and personality evaluations for college students.
 - Provided campus outreach services to college students and university personnel on a diverse range of topics including substance abuse, sexual assault, and mental health.

- Minor rotations completed in Emotion Focused Couple's Therapy and Sexual Assault Treatment.
- Conducted program evaluation survey on diversity training and an independent research study on sexual assault treatment in university counseling settings.

Oct 2009

to June 2012

Therapist and Psychological Examiner*Center for Trauma Recovery, University of Missouri-St. Louis**Supervisor: Steven Bruce, Ph.D.*

- Provided evidence-based trauma-focused psychotherapy to community-based client population with diagnoses of Posttraumatic Stress Disorder or related difficulties.
- Conducted diagnostic intake assessments using clinical and diagnostic interviews and symptom inventories to inform treatment planning.
- Managed client paperwork, including written intake and termination reports and weekly progress notes. Managed risks related to self-harm mandated reporting
- Participated in weekly group supervision and provided occasional peer supervision.

July 2009

to June 2012

Therapist*Community Psychological Service, University of Missouri-St. Louis**Supervisors: Robert Harris, Ph.D., Ann Steffen, Ph.D., and Steven Bruce, Ph.D.*

- Provided psychotherapy to community-based clients presenting with a range of mental health difficulties including mood and anxiety disorders, personality disorders, severe and persistent mental illness, chronic health concerns, family problems, and couple's distress.
- Led child and adolescent groups in schools to address behavior and interpersonal problems.
- Managed client paperwork including written intake, termination, and treatment plan reports and weekly progress notes.

May 2009

to June 2012

Psychological Examiner*Community Psychological Service, University of Missouri-St. Louis**Supervisors: Deana Smith, Ph.D. and Robert Harris, Ph.D.*

- Administered personality and cognitive psychodiagnostic tests and conducted semi-structured clinical interviews with adults, adolescents, and children.
- Collected information from collateral sources including family members and medical records.
- Generated integrated psychological evaluation reports for treatment planning, case management, educational accommodations, and risk assessments to be delivered to individuals, schools, and the juvenile courts.
- Provided phone intake support assessing client's service needs and history of difficulties.
- Assisted with administrative tasks and streamlining policies and procedures for the clinic.

May 2010 **Psychological Examiner**
to June 2012 *St. Louis Consultation Center*
Supervisor: Paul Midden, Ph.D.

- Administered and scored neuropsychological, personality, and cognitive psychodiagnostic tests including the Mini Mental Status Examination, Kaufman Brief Intelligence Test, Rorschach Inkblot Test, Minnesota Multiphasic Personality Inventory, Millon Clinical Multiaxial Inventory, and the 16-PF.
- Clients included men and women who were experiencing concerns in their role as Roman Catholic priests and nuns or who individuals who were beginning the process of entering the religious life.

SUPERVISION EXPERIENCE

July 2012 **Doctoral Intern**
to July 2013 *Washington State University Counseling and Testing Services (APA Accredited), Pullman, WA*

- Supervise beginning doctoral practicum students clinical work with individual therapy and intake interviews

GRANTS

2016 Society for the Teaching of Psychology- Small Grants- Promoting Partnerships
Awarded \$2,500 funding to develop and host a the Northwest Summit for Teaching of Senior Capstone

PROFESSIONAL TRAINING WORKSHOPS

Spring 2014 **St. Martin's University Diversity Institute**
Aug 2013 **Writing Across the Curriculum Workshop**
Aug 2008 **Cognitive Processing Therapy (CPT) Workshop**
Attended one-day workshop conducted by Tara Galovski, Ph.D.

CASE CONFERENCES

Artime, T.M., Jones, K., Rosenbaum, D., Vinocour, J., Harris, R. (2012, April). *Working with Complex Cases*. Presented to faculty and graduates students at the University of Missouri-St. Louis, Department of Psychology, clinical psychology doctoral program annual case conference.

Mueller, T.M., Mann, B., McNeill, S., Jones, K., & Steffen, A. (2011, April). *Clinical Implications of Reporting Issues: Child Abuse, Elder Abuse, Homicide Risk*. Presented to faculty and graduate students at the University of Missouri-St. Louis, Department of Psychology, clinical psychology doctoral program annual case conference.

Mueller, T.M., Wamser, R., Walsh, R.M., & McCallum, E.B. (2010, April). *Trauma and Psychosis: A Clinical Case Presentation*. Presented to faculty and graduate students at the University of Missouri-St. Louis, Department of Psychology, clinical psychology doctoral program annual case conference.
