Ⓞ About This Coverage

If you take no action you'll be covered under Basic Life insurance provided you meet the eligibility requirements. Consider whether that would be enough to help your family meet daily expenses, maintain their standard of living, pay off debt and fund your children's education. If not, you may want to apply for additional coverage now.

- Apply for coverage and agree to pay premium, and
- Be actively at work (able to perform all normal duties of

your job) on the day before the insurance is scheduled to be effective.

If you are not actively at work on the day before the scheduled effective date of your insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee. Contact your human resources representative or plan administrator for further information about the applicable coverage effective date for your coverage.

*If you are already a member on the date the group policy is effective, you are eligible on the date you become a member. If you become a member after the group policy effective date, you are eligible on the first of the month that follows 30 consecutive days as a member.

Life Insurance Age Reductions

Under this plan, your coverage amount at age 70 and over is the lesser of 1 times your Annual Earnings or \$30,000. Your spouse's coverage amount reduces by your spouse's age as follows: to 65 percent at age 65, to 50 percent at age 70 and to 35 percent at age 75. If you or your spouse are age 65 or over, ask your human resources representative or plan administrator for the amount of coverage available.

Waiver of Premium

Your premiums may be waived if you:

- Become totally disabled while insured under this plan
- Are under age 60, and
- Complete a waiting period of 180 days

If these conditions are met, your Basic and Additional Life insurance coverage may continue without cost until age 65, provided you give us satisfactory proof that you remain totally disabled.

Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

When Your Insurance Ends

Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under

certain circumstances)

- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your human resources representative or plan administrator.

Group Insurance Certificate

If coverage becomes effective and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage, including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information present in this summary does not modify the group policy, certificate or the insurance coverage in any way.
