Ever wonder where all your money goes?

Are you tired of living paycheck to paycheck? Do you want to take the money fights out of your marriage? Maybe you just have that nagging feeling that you could be handling your finances better. Most of us know what we should be doing – saving more money, spending less on credit – but we don't always know how to implement a plan to move towards financial wellness. A personal monthly budget is the tool that will bring order out of financial chaos.

Go to www.FirstChoiceEAP.com and enter your company's Username (if you don't know it, call or e-mail us). Click on the **Webinars** tab in the middle of the page to view 2018's Webinars and archived webinars.
