FOR YOU FROM UNUM

Term Life Insurance

Term LifeInsurance

can provide money for your family if you die or are diagnosed with a terminal illness.

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

Why is this coverage so valuable?

If you previously purchased coverage, you can increase it up to \$350,000 to meet your growing needs — with no health questions or exams.

What else is included?

Waiver of premium

Your cost may be waived if you are totally disabled for a period of time.

Portability

You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eliqible for portability.

Who can get Term Life coverage?

If you are actively at work at least 1040 hours per year, you may apply for coverage for:
