

## Employee Tuition Remission Application 2024-2025

Benefits for employee tuition remission begin the school term following completion of one year of service. After the completion of one year of service, a 50% benefit is available for full-time (1.0 FTE) regularly scheduled employees. The tuition remission benefit will increase to 75% the school term following completion of two years of service, and will increase to 90% the school term following completion of three years of service for full-time (1.0 FTE) regularly scheduled employees. Tenured and tenure-track faculty are eligible for maximum tuition remission benefits for both themselves and eligible dependents as of their appointment date in a tenured or tenure-track position. This benefit will be prorated based on FTE for those employees with benefits. This benefit applies to both undergraduate and master's courses and degrees. Employees are limited to one master's degree using tuition benefits. Doctoral studies are not eligible for tuition remission benefits.
