

Driving directions to the Mary Baker Russell Music Center at Pacific Lutheran University

- Take I-5 to highway 512, exit and go east toward Mt. Rainier.
- Take the first exit (Steele Street)
- Turn left on Steele.
- Follow Steele through three traffic lights at 112th Street, Steele Street S. (Steele has now become Spanaway Loop Road), and 116th Street.
- The road will turn sharply to the left and back to the right.
- Start looking for a sign on the right that says "Wheeler Street." It's a larger version of a normal street sign.
- Turn left on Wheeler. Follow the street slightly up hill through a residential neighborhood. You will go through a stop sign at Ainsworth.
- Wheeler comes directly to the campus and turns 90 degrees to the left, becoming 8th Ave. Ct. South. At that turn, you will see the music building on your right--a large, red-brick building with a high peak. You can drop off there and enter through the door facing Wheeler Street.
- After dropping off your choirs, buses can follow 8th Ave. Ct. South to the left, and at the stop sign, turn left on 121st.
 - Go one block and turn left on 10th Ave. S
 - Turn right on Wheeler.
 - Follow Wheeler past 12th Ave., and at the Sheridan Street, turn left.
 - Turn left a short block later at Garfield St. S.
 - Follow Garfield to 12th Ave. South, where it will turn sharply to the right. Immediately on the left you will find the Morken Center parking lot. There should be plenty of room there to park your buses.
