The following is for advising purposes only and does not denote a contract with the student or Pacific Lutheran University. Many programs have specific deadlines for application or declaration – contact the department or program chair for information. The information below is accurate as of the date of publication. The university reserves the right to make necessary changes at its discretion.

### General Degree Requirements

- A minimum of 128 semester hours must be completed with a GPA of 2.00 or higher.
- In addition to the requirements of this major, students must complete all other requirements of the University as listed in the catalog.
- At least 8 semester hours for the major must be taken in residence at PLU.

### BIOLOGY MAJOR - Bachelor of Arts Degree

- Detailed information pulled from catalog and current APC's. Requires 34 semester hours in biology and 8 semester hours in supporting courses.
- The department recommends that students satisfy the Biology distribution requirements, especially the botanical course requirement, as soon as possible in their academic career to ensure the most schedule flexibility.
- Go to department web page and catalog for complete information on the department and major.
