

The following is for advising purposes only and does not denote a contract with the student or Pacific Lutheran University. Many programs have specific deadlines for application or declaration – contact the department or program chair for information. The information below is accurate as of September 1, 2015, please check back frequently as some things may have changed. The university reserves the right to make necessary changes at its discretion.

### General Degree Requirements

- A minimum of 128 semester hours must be completed with a GPA of 2.00 or higher.
- In addition to the requirements of this major, students must complete all other requirements of the University as listed in the catalog.
- At least 8 semester hours for the major must be taken in residence at PLU.
- All students must complete a minimum of 40 semester hours of Upper-Division work (300-400 level) which includes courses in the major.
- Students should earn 32 semester hours per year to stay on track to graduate in 4-years (which requires minimum of 128 semester hours).

### COMPUTER SCIENCE MAJOR - Bachelor of Science Degree

- Detailed information pulled from catalog and current APC's. Requires 44 semester hours in computer science and 30 hours in required supporting courses (math/sciences).
- Go to department web page and catalog for complete information on the department and major.
- A minimum grade of C is required in all CSCE and MATH courses counted for a major, and a minimum grade of C- in all other supporting coursework.
- Only one CSCE topics course (either 400, 410, x87, x88, or x89) can be used as an elective.
- At least 16 upper-division hours must be completed at PLU.
