

**Two-Year Course Cycle
Environmental Studies Program - Course Offerings
as of November 3, 2011**

Environmental Studies Program <http://www.plu.edu/environmental-studies/>
 Academic Advising www.plu.edu/academic-advising
 Course Catalog <http://www.plu.edu/registrar/Catalog/home.php>
 Class Schedule banweb.plu.edu

The two-year course cycle is a planning document to assist students in planning their academic programs and to allow the department to anticipate staffing course offerings, this is subject to change depending on the university budget, instructor availability, and low enrolled courses. Should a substitute be made, the new course title will continue to fulfill the major/general education element. While every effort will be made to conform to course needs, students are encouraged to meet with their advisor on a regular basis when planning their pathway to success at PLU. The class schedule on Banner Web (banweb.plu.edu) provides the most up-to-date course information.

2012-2013 Academic Year

Course	Course Title	Fall	J-term	Spring
ANTH 368	Edible Landscapes, The Forgaing Spectrum			
BIOL 116	Introductory Ecology		x	
BIOL 366	Comparative Ecology of Latin America			
BIOL 367	Conservation Biology & Management			x
BIOL 368	Ecology	x		
BIOL 369	Marine Biology			x
CHEM 104	Environmental Chemistry	x		
ECON 111	Principles of Microeconomics: Global and Environmental	x		x
ECON 311	Energy and Natural Resource Economics			x
ECON 313	Environmental Economics	x		
ECON 315	Investigating Environmental & Economic Change in Europe
