

As of 8/1/2014,

The following is for advising purposes only and does not denote a contract with the student or Pacific Lutheran University. Many programs have specific deadlines for application or declaration – contact the department or program chair for information. The information below is accurate as of August 1, 2014. Please check back frequently as some things may have changed. The university reserves the right to make necessary changes at its discretion.

### General Degree Requirements

- A minimum of 128 semester hours must be completed with a GPA of 2.00 or higher.
- Students must complete all other requirements of the University as listed in the catalog, in addition to the requirements of this major.
- At least 8 semester hours for the major must be taken in residence at PLU.

### GEOSCIENCES -Bachelor of Arts Degree

- Detailed information pulled from catalog and current APC's. Requires 32 semester hours in Geosciences and 4 hours in required supporting courses.
- Courses listed are 4-credits unless otherwise specified
- All 300-level Geoscience courses are offered on an every other year basis. Given the entrance year of a student, the courses available will be different. Students should consult with their advisor regarding scheduling
- Recommended: Geologic Field Experience. Students completing B.A. degree in Geosciences are recommended to take a departmentally approved field camp from another college or university.
- Options reflect a student's interests and are discussed with an advisor.
- Go to department web page and catalog for complete information on the department and major.

	Fall Term	J-Term	Spring Term	Comments
