

# Where's the “energy” in my energy drink?

*What's in energy drinks anyway?*

*How do energy drinks affect the human body?*

*How safe are energy drinks to consume?*

**Erica Fickeisen (Dining Services) &  
Dr. Justin Lytle (Chemistry Department)  
Wednesday, February 8<sup>th</sup> @ 7:00 PM  
Rieke 103 (Leraas Auditorium)**
