

An aerial photograph of a scenic landscape. In the foreground, a large, calm blue lake stretches across the bottom. The middle ground is dominated by a dense forest of evergreen trees, with several patches of golden-brown fields interspersed. In the background, rolling hills and mountains are visible under a clear blue sky. The overall scene is bright and clear, suggesting a sunny day.

23rd Annual Natural Sciences Academic Festival
POSTER PRESENTATION SESSION

Friday, 12 May 2017, 1:45 - 3:45 PM

Rieke Science Center
