

## **Petition to RAP Committee: Course Failure**

Student Name: \_\_\_\_\_ (please type or print)

Date: \_\_\_\_\_

I have failed my first and only nursing course--Nursing \_\_\_\_\_. I am petitioning RAP to request that I be placed on academic probation and be allowed to repeat the course.

Review your academic record (transcript and ATI) and discuss your progress in the nursing program:

Why do you believe you have not succeeded in this course?

What will you do in the future to insure success in this course and your program? Please provide a detailed plan for how you will improve your performance.

I understand that by petitioning RAP I am not automatically granted academic probation. Further, I understand that it is subject to the review of and consideration of the RAP committee and on a space available basis.
