Curriculum Vitae

Spring 2026

Summary

Educator, researcher, and clinician with experience teaching at BSN and DNP levels, program coordination, conducting qualitative and quantitative research, and leading clinical as well as didactic instruction across diverse care settings. Skilled in project management, care continuity, interdisciplinary collaboration, and curriculum development for in-person and online learning environments. I seek the opportunity to continue growing as a well-rounded professional and leader. Through past positions, I have gained extensive experience with diverse groups.

Education

2023	Doctor of Nursing Practice (DNP) – Population Health and Systems Leadership	University of Washington (UW), Seattle, WA
2023	Master of Public Health (MPH) – Global Health	University of Washington (UW), Seattle, WA
2016	Bachelor of Science in Nursing (BSN)	Cleveland State University (CSU), Cleveland, OH

Certifications and Licenses

Current Unencumbered RN license in Washington-RN60924460

National League of Nursing Certified Nurse Educator- Certification ID: 649817

Washington, Wyoming, Alaska, Montana, Idaho Area Health Education Center Program Scholar (WWAMI AHEC) *Completed 2021*

- o National HRSA affiliated certificate to prepare and promote a diverse, skilled primary care workforce in rural and underserved communities.

Critical Care RN Certification through AACN 7/1/2019, *expired 6/30/2021*-#2000093707

Vizient/AACN Nurse Residency Program, Certified September 2017

Faculty Appointments

- ❖ Tenure-Track Associate Professor of Nursing, Pacific Lutheran University: June 2024–Present
- ❖ Contingent Instructor of Nursing, Pacific Lutheran University: June 2023–June 2024
- ❖ Co-Instructor of Nursing, University of Washington: Jan 2024-April 2024

Practicum/Capstone Experience

Fall 2022-Winter Quarter 2023

DNP Final Project-University of Washington

Alaska Board of Nursing (BoN)

- o Development of regulation changes based on legal review of Alternative to Discipline Program (ADP).
- o Creation and implementation of educational materials for staff facilitating newly created ADP.
- o Qualitative interviews completed with BoN staff and coded for themes in Dedoose.

Summer Quarter 2022

MPH Capstone- University of Washington

Alaska Board of Nursing (BoN)

- o Conducted interviews with representatives of ADN programs in other states, review of current ADPs in the US and legality of implementation, identification of stakeholders in the state of Alaska that will be involved in the design of the ADP.
- o Synthesis of findings and development of recommendations guiding a new ADP by the Board of Nursing.
