Guest Speaker - Dennis Sepper, University Pastor, to discuss Campus Ministry and the Green Dot Coalition.

Dennis shared an overview of what Campus Ministry is involved with on campus. Dennis Sepper and Nancy Connor provide pastoral care for the entire university - hospital visits, reach out to students, faculty and staff who have experienced a death in the family, baptisms, weddings, and talk to students, faculty and staff about their spirituality, relationships, and other issues. Campus Ministry is out of the Office of the President so they assist with events such as Convocation, Board Of Regents meetings, and dedication of buildings.

Campus Ministry takes part in the Obama Interfaith Challenge. Two years ago, PLU was one of 250 institutions that participated in the training of the Interfaith Challenge in Washington D.C. PLU Campus Ministry will continue interfaith work this year by hosting a series of faith workshops.

Dennis is also the co-chair of Green Dot this year. There will be a two-part bystander training on September 27th and 28th for all faculty and staff interested in attending. Follow this link to register (<http://www.plu.edu/greendot/get-involved/home.php>)
