12. No faculty member shall serve **in an elected position** on the same committee for a period of more than three consecutive years.
13. No faculty member shall serve **in an elected position** on more than one standing committee, and in the event that a faculty member is elected to a **position on a** second standing committee, he or she must promptly resign from one of **them** ~~the standing committee positions, thus creating a vacancy on that committee.~~
