

**Pacific Lutheran University
International Student Insurance Plan Waiver
2025-2026**

Pacific Lutheran University (PLU) requires all international students to maintain medical insurance that provides coverage in the United States and meets certain minimum benefit requirements. To ensure this, PLU will automatically enroll all international students in PLU's International Student Accident and Sickness Plan (Student Insurance Plan). The insurance premium will automatically be added to your university bill at the time of registration. If students wish to have PLU's International Student Insurance Plan waived, they must provide proof that their alternate policy provides benefits at least equal to those required by Pacific Lutheran University. This compliance form must be used to provide this information to the university.

Instructions to Student: Ask your insurance company representative to complete this form and return it to Pacific Lutheran University. If your representative has any questions regarding this form, please call or email Shawn Thompson, Director of Risk Services at thompss@plu.edu or (253) 535-7116.

Release Information: I hereby permit my insurance company to release the following information to staff persons at Pacific Lutheran University. Also, I understand the International insurance requirements established by Pacific Lutheran University and agree to abide by them. I understand that if the waiver is approved, it is only for academic year 2025-2026.

I understand that if my insurance is not approved, this does not mean that Pacific Lutheran University, or any of its employees, recommend that I cancel my existing, pending or proposed insurance coverage. A denial implies only that the policy presented does not meet the minimum criteria established by the university with respect to specific medical insurance coverage criteria required for registration and/or enrollment.

Student Name _____ PLU ID number _____

Student Signature _____ Date _____
