

## **Priority of Pathway Clearing During Storm Events**

Facilities Management campus snow and ice removal is staffed by grounds crew & student help. The work crews will focus on a priority system to maximize safety for students and staff on campus. The following priorities are worked in order according to the amount of snow and available manpower.

### **Priorities**

1. AUC Dining Hall entrances and main access routes from residence halls
2. All accessible entrances and ADA ramps and fire exits.
3. Other entrances and campus main stairwells and walks
4. Service access
  - Service
  - Residence
  - Academic
5. Fire lanes and drains
6. Perimeter and parking lots
7. Roofs and gutters
