

# **LUCIA Scholarship Application Form**

## **DUE October 23<sup>rd</sup>, 2013!**

PLU has celebrated the tradition and legend of Sankta Lucia for over 60 years. Sankta Lucia is a symbol of expressing light and goodness into the world – a woman holding a light up in the darkness. Our world needs everyone's unique expression of light, regardless of whether it's your own individual way of being, a particular passion or a specific talent. This fits with PLU's mission statement: to educate students for lives of thoughtful inquiry, service, leadership, care for persons, communities and for the earth.

The Santka Lucia Committee invites you to create your own personal mission-statement, reflecting your commitment and intent to be someone who expresses light and goodness into the world in the spirit of Sankta Lucia.

Take a deep dive, and with some thoughtful inquiry, write an essay of approximately 500 words that addresses these questions:

- 1) What gifts do you have to share by just being authentically "you"?
- 2) What are ways in which you can build on your gifts, talents, and interests to become a force for light and goodness like Lucia?
- 3) Our world is yearning for you to bring forth your gifts, your participation, and your contributions, in other words for you to "show-up" in life! Tell us how you hope to do so.

The Santa Lucia Committee is grateful for everyone who applies, and for your participation in the Lucia program. ***The first orientation meeting will take place on Sunday, October 27<sup>th</sup>, at 4pm.*** We look forward to spending time with you at rehearsals, reading your essays and meeting each of you one-on-one. Your involvement helps create a beautiful and light-filled event for the entire campus and for our greater community.

While only one applicant will ultimately be crowned the official 2013 PLU Sankta Lucia, you are all Lucia's! We celebrate all of you, the unique gifts you bring forth into our world, and your individual and collective Lucia light and goodness.
