Discovery Regional Science and Engineering Fair c/o  
South Sound STEM Fair Alliance  
PO Box 73232  
Puyallup, WA 98373

### Student Information

Name of student as listed on registration: \_\_\_\_\_

I give my permission for my student \_\_\_\_\_ (Student's Name) to participate in the Discovery Regional Science and Engineering Fair. We are aware that our student's competition project will be judged and 6-8 students will participate in the oral presentation. We are aware a STEM project is a big commitment that takes time to plan and conduct. We understand it is a public event and a signed waiver is necessary to participate by all students. We understand the rules and are willing to assist our child as needed.

- I give my consent to have my student photographed and/or recorded for video and/or audio reproduction to be used in television, Internet, print programs and promotions, associated with the South Sound Regional Science and Engineering Fair. I will not receive financial compensation for released media.
- This authorization releases The South Sound STEM Fair Alliance from any or all liabilities that may result from participation.
- Revocation of this consent must be given in writing.

The Alliance and Discovery are voluntarily complying with the Children's Online Privacy Protection Act (COPPA) for students under the age of 13:

- The South Sound Science Fair Alliance does not provide personal information to third parties. We collect students name, grade, school, teacher, project name, address and email address of parents directly from the student or parent.
- We collect our data in the normal business of conducting a STEM Fair.
- We will not require students to disclose more information than is reasonably necessary to participation in our science fair.
- Responsible adults can review their child's information and direct the SSSFSA to delete the information. Parents need to contact the fair director to exercise their rights under this act.

**Is your student age 13 or older? Yes\_\_\_ No\_\_\_ If under 13 please answer:**

**Do you give permission to list your student's first and last name instead of first name only:**

**In the fair program? Yes\_\_\_ No\_\_\_**
