**S. Erving Severtson Research Fellowship  
Forest Foundation Undergraduate Research Program, 2022-2023**

**Faculty Research Application**

*Please return completed applications to Carol Reed no later than 3:00 pm, April 26, 2022. By its very nature, the Division of Social Sciences Chairs Council is an interdisciplinary group of scholars. Prepare your application materials with this audience in mind.*

1. **Name:** \_\_\_\_\_ **Department:** \_\_\_\_\_

2. **Title of research project:** \_\_\_\_\_

3. **In 250 words or less, (use this space only), describe your research project.**

4. **Briefly, (use this space only), describe the nature of the student's contribution to your project. Severtson grants are intended to encourage faculty-student research. The collaboration is expected to surpass that of a typical class experience, leading to an end product such as a jointly-authored paper or presentation.**

5. **Other sources of funding if applicable:**
