

**PACIFIC LUTHERAN UNIVERSITY BACCALAUREATE SOCIAL WORK PROGRAM**

**ASSESSMENT OF STUDENT LEARNING OUTCOMES**

**LAST COMPLETED ON JUNE 30, 2019**

**Form AS4 (B)**

All Council on Social Work Education programs measure and report student learning outcomes. Students are assessed on their mastery of the competencies that comprise the accreditation standards of the Council on Social Work Education. These competencies are dimensions of social work practice that all social workers are expected to master during their professional training. A measurement benchmark is set by the social work programs for each competency. At PLU, we have set 85% as our competency benchmark, a high standard, and look to see if 90% or more of graduating students have met this benchmark. An assessment score at or above 85% is considered by the program to represent mastery of that particular competency.
